-Yucatan Bike Tour- «Bike Tour»

Bike through the Mayan World!

Come and discover the beauty of the Yucatan Peninsula in Mexico! Bike 7 days through the Peninsula from its jungle to the Caribbean. Discover all the beauty it has to offer. Indulge yourself in Mexico's second largest national park, the Sian Ka'an Biosphere Reserve and kayak here while you explore the beautiful nature.

Snorkel in the Mayan reef, the world's second longest coral reef. You can also cool down in the crystal clear waters of the cenotes. Next to that you will visit the archaeological sites like Coba, Tulum and the ancient Mayan ruins of Chichen Itza. You also have the chance to visit colonial towns like the amazing Valladolid.

Duration: 7 days

We recommend bringing: Cycling gear, comfortable clothes and shoes, raincoat, hat, sunglasses, biodegradable insect repellent and sunblock, hygienic personal stuff and your camera.

Included:

Not Included:

- Lodging
- Transportation
- Breakfast
- Entrance fees
- Bilingual guide

- Airfare
- Bicycle (weekly rent: \$100 USD)
- Beverages
- Lunch & dinner
- Personal expenses

-Itinerary-

Day 1: Arrival at Cancun

You will be welcomed by your professional naturalist guide in Cancun. By ground transportation we will go to Chichén Itzá where upon arrival you will get a briefing about the activities and other important information. Afterwards check in at Mayaland Hotel or similar. In the evening, enjoy a light and sound show at Chichen Itza.

Day 2: Chichén Itzá – Valladolid

Early morning we will visit Chichén Itzá Ruins. Afterwards, enjoy the scenic bike ride to Valladolid where you will be able to ride through local Mexican villages. Check in Hotel Meson del Marques or similar. **(59 Km. – 36.66 Miles)**

Day 3: Valladolid – Ek Balam

In the morning, we cycle to Ek Balam archeological site. After enjoying this beautiful site, we cycle back to Valladolid for a city tour and a visit to the museum. For dinner you will find a variety of dining options you can choose from in Valladolid. Overnight in Meson del Marques or similar. **(59 Km. – 36.66 Miles)**

Day 4: Valladolid – Coba

After breakfast we will cycle to Coba. Along the way, we refresh ourselves in the impressive Tamcach Ha cenote. After visiting Coba archaeological site there is an optional zip line tour which can be enjoyed as well. We will travel to Tulum in van and check in for the overnight in Hotel Los Lirios or similar. **(70 Km. – 43.50 Miles)**

Day 5: Tulum

Start the day with an early bird watching tour (optional). Continue the tour by riding to Tulum archaeological Site. One of the most beautiful places of the Riviera Maya. You can learn more about the rich Mexican Culture and take spectacular photos. Afterwards, grab the opportunity to refresh in the crystal clear waters of a cenote and cycle back to Hotel Los Lirios or similar. **(25 Km. – 15.53 Miles)**

Day 6: Sian Ka'an

Morning bike ride to the Sian Ka'an Biosphere Reserve to kayak in wetlands and learn more about the area. In the afternoon, enjoy Tulum beach and transfer in air-conditioned van to Cancun Hotel Marriot Courtyard or similar. **(56 Km. – 43.50 Miles)**

Day 7: Departure from Cancun

After breakfast transfer by van to Cancun International Airport for your flight back home.

-Riviera Maya Bike Adventure- «Bike Tour»

-Yucatan Archaeology and History-

Archaeology and History of Mexico!

Enjoy a fantastic trip through the Pre-Hispanic Mayan Sites of the Yucatan Peninsula. This is for the ones that really want to enter the ancient Mayan world. Get a true understanding of the history of the Mayans by visiting impressive archaeological sites such as Calakmul and Chichen Itza, but we will also visit some of the lesser but equally as impressive archaeological sites of Mayan civilizations. Our guides are fully knowledgeable giving you the opportunity to not only learn about the architecture, but also about the beliefs of the Mayans. Visitations to the colonial cities of Campeche won't be missed, to give you a change of scenery to more urban places that are famous for the baroque style that the cities have adapted from settlements of e.g. the Spanish.

This trip is a gem for the true historians!

-Scientific Tours-

-Jaguar-

«Scientific Tour»

Expedition in the jungle to observe the greatest predator of Yucatan!

The Jaguar Tour is an exciting 7-day tour into the Quintana Roo jungle to look for the largest cat in the Americas: the Jaguar.

This majestic animal is granted a special place in Pre-Hispanic culture and mythology. However, nowadays it is endangered due to hunting, loss of habitat and diminishing population of their prey. This tour takes you deep into the jungle to look for these and other creations in the region, including Deer, Tappir, Bats and the amazing Hanging Boas in the caves of Kantemo. This is an amazing opportunity to explore another side of Mexico, far away from tourists, learning about the conservation efforts to help these magnificent and valuable animals.

-Sailfish- «Scientific Tour»

Dive and snorkel with the fastest fish in the ocean!

Let us show you the wild side of the Caribbean, the side where the biggest shows of nature happen. Let us take you out for an unforgettable wildlife experience, the unique Mexican Sailfish Run!

On this ocean expedition we will concentrate on the Sailfish, but we like to keep things open as we will spend our days out on open ocean. In the past years, people looking for the Sailfish had the opportunity to swim with dozens of Atlantic Spotted Dolphins, Manta Rays, Whale Sharks, schools of Atlantic Bonitos, huge Wahoos and one time they even bumped into a big pod of false Killer Whales.

-Itinerary-

Day 1: Arrival to Cancun

After a long and exhausting flight let's start this journey with some rest while relaxing and enjoying the beautiful beach and get ready for the rest of the journey. Our professional guide will receive you at the airport. Our guide will give you all the info that you will need for the trip. Transport to your hotel. Hotel Rey del Caribe or Similar

Day 2: two options (activities depend on the season) Hotel Rey del Caribe or Similar

Option 1: Whale Shark Adventure

Summer season (mid-May to mid-September): This is the adventure you have been waiting for, The Whale Shark Adventure! This is your opportunity to swim and snorkel with this peaceful shark, the biggest fish of the world. Although this creature only eats plankton, but still you will be amazed of its huge size. This is an once-in-a-life time experience.

Option 2: Archaeological sites of Coba and Tulum

Winter dates (mid-September till mid-May): Visit the great archaeological sites of Coba and Tulum. These precious cities have had a great influence on the Yucatan Peninsula. Here you can discover the authentic Maya culture and traditions. This place is worth to be visited and will complete the whole Yucatan adventure!

Day 3: Puerto Morelos Hotel Arrecifes II or Similar

After a good breakfast, you will get prepared as we will head forward to the Mexican Jungle where you can chose between two activities:

- 1) ATV driving: An amazing ride while enjoying the landscape of the beautiful jungle here in Puerto Morelos.
- 2) Snorkeling in the Cenote which is the opportunity to enjoy the clearest and finest water you have ever seen while enjoying some organic "Fish Spa".

Day 4: Bird Watching in Puerto Morelos Hotel Los Lirios or Similar

Get ready early in the morning to head towards the Mayan Jungle to discover, watch and learn about some of the 500 bird species. Transfer back to Tulum afterwards.

Day 5: Tulum Hotel Los Lirios or Similar

For the 5th day you will enjoy a family experience with our incredible Marine Turtle Tour. Swim with the turtles in their natural habitat and feel the magnificent nature around you, show your kids how amazing is to take care of the planet and respect all the animals and wildlife we have among us. Create amazing memories with your loved ones!

-Itinerary-

Day 6: Sian Ka'an

Depart to Sian Ka'an that will allow you to practice kayak through the wetlands, hike like an explorer through the jungle and swim around as you enjoy the amazing wonder of this natural protected area. Located in the municipality of Tulum, Sian Ka'an is a UNESCO World heritage Site where you will be able to participate and learn about several conservation projects. Hotel Marriot courtyard or Similar

Day 7: Departure

We wish you a pleasant flight back and we are thankful that we could share this experience with you, showing you the finest places, participating in the most amazing adventures, as well as showing you our beautiful culture.
